Upcoming Events

April 10 **District Assembly**
May 15-16 **Relay for Life**

"Comfort comes as a guest, lingers to become a host and stays to enslave us."
Linguist, Lee Bickmore

San Gabriel Mountains Forever is a partnership of local business owners, residents, faith and community leaders, recreation groups, health and social service organizations, and conservation groups who have come together to protect wilderness and wild and scenic rivers in the San Gabriel Mountains.

In the months leading up to the FIFA World Cup in June, Rotary clubs across Africa have been gearing up for the final push to kick polio out of the continent.

On 23 February, Rotary's 105th anniversary, a Kick Polio Out of Africa campaign launched with the symbolic kicking of a soccer ball signed by Archbishop Emeritus Desmond Tutu, a polio survivor.

The journey began in Cape Town, South Africa, one of the host cities for the 2010 World Cup. The ball will travel through 22 polio-affected countries en route to the RI Convention in Montréal, Québec, Canada, in June. The primary sponsor of the campaign is DHL Express.

During the ball's four-month journey, Rotary clubs in the polio-affected countries will hold soccer-related polio awareness events to mobilize public support for immunization activities. Along the way, the ball will be signed by each national PolioPlus committee chair.

Synchronized immunization activities took place in 19 Central and West African countries 6-8 March, with more than 400,000 health workers and volunteers reaching over 85 million children. The initiative was made possible largely by US\$30 million in funding from Rotary International.

The synchronized immunizations were part of an ongoing response to the epidemic that spread in 2008 from polio-endemic Nigeria to neighboring countries that had been polio-free. The effort will be repeated in the same countries on 24 April.
